Title of the Submitted Paper: *A separate declaration is required for each submitted paper!*

_____

The undersigned author(s) hereby declare that:

- All listed authors have made substantial scholarly contributions to the work and approve the submitted version of the manuscript.
- The submitted paper is original, has not been previously published, and is not currently under consideration for publication elsewhere, nor has it been simultaneously submitted to another conference or journal.
- All citations, references, statistics, tables, figures, and other materials used in the manuscript are properly acknowledged and accurately presented.
- Any use of generative artificial intelligence (AI) tools has been appropriately disclosed in the manuscript in accordance with the conference publication guidelines, and the authors accept full responsibility for all content, interpretations, and conclusions presented in the paper.
- The authors agree that the manuscript may be examined using similarity and plagiarism-detection software.
- The paper does not contain any illegal, defamatory, misleading, or otherwise inappropriate content and does not violate any law, contract, confidentiality obligation, intellectual property right, or third-party right.

- The authors assume full responsibility for any claims arising from copyright infringement, plagiarism, unauthorized use of materials, inaccurate authorship attribution, or any other violations related to the submitted paper.
- The authors consent to the publication of the paper in electronic and printed conference proceedings and, where applicable, through open-access platforms.
- The authors agree that the paper metadata, including authors' names, affiliations, title, abstract, and keywords, may be disseminated through indexing, abstracting, and bibliographic databases.
- The authors declare that the information provided herein is accurate and complete and understand that any false statement may result in the rejection or withdrawal of the paper.
